Homepage

This homepage will introduce the author and display their most prominent work in the background.

Header

Placement of buttons to the top right made it easy for visitors (especially on desktop) to navigate around the website.

Biography

Centered design makes it easier for visitors to read background information about the author.

Portfolio

Big social media icons and the text of contact information results in easier readability for the user.

Gallery in grid form makes for easy navigation for the user. Infinite scrolling for the gallery will not be implemented.
